30. Read the paragraph and answer the given questions.

In many villages of Bengal, some of the powerful ryots did not cultivate, but instead gave out their lands to others (the under-tenants), taking from them very high rents. In 1806, H.T Colebrook described the conditions of these understatements in Bengal. The under-tenants, depressed by an excessive rent in kind, and by usurious returns for the cattle, seed, and subsistence, advanced to them, can never extricate themselves from debt. In so abject a state, the cannot labour in spirit, while they earn a scanty subsistence without hope of bettering their situation.

- I. Who gave the statement?
- II. On what did he write?
- III. In which year he described these issue?
- IV. Who were depressed?
- V. What was their problems?

(Or)

Five places on the outline map of India are marked with letters A, B, C, D and E refer to the descriptions in the table to identify each place and match it with the corresponding letter on the map.
